

MAGICAL WORLD OF LOVE

Embrace the magic of our new collection inspired by love!

Magical World Of Love, which will be a masterpiece of a new life that will touch not only the minds but also the hearts, has 2 separate facades with a total of 788 apartments. One side is with valley facade and the other side is with Altıntaş facade and the hill will be built at a point. Life Center, shopping malls, airport, proximity to the town square with rich social areas such as equipment, Irish pub, Starbucks coffee, Migros market, nursery, Restaurant, habitats, such as that incorporates eco-friendly with solar energy panels which we offer our collection will lead the future.

It will be built on its own purchased land with a total area of 22,800 m2, which was purchased with the company's equity. The collection has a unique architecture with 10 floors designed by architect Adil Okur.

There are a wide variety of apartment plans, some with a private Swim Up in the garden, some with terraces with a private pool.

The complex, which will have its own beach in Lara region, will also have a Shuttle service to the Beach, Antalya International Airport and shopping malls such as Mall of Antalya, Deepo Outlet Center, Agora Shopping Center and Ikea for the Collection residents only.

The construction of our Collection will start on 30.06.2024 and will be completed on 30.12.2026.
